VOLUME 122...JANUARY—JUNE, 1939

Jan. 5 ..... 1– 56
Jan. 12 ..... 57– 71
Jan. 19 72–114
Jan. 26 115–130
Feb. 2 131–186
Feb. 9 187–194
Feb. 16 195–240
Feb. 23 241–256
March 2 257–350
March 9 351–366
March 16 367–406
March 23 407–416
March 30 417–460
April 6 461–472
April 13 473–522
April 20 523–534
April 27 535–620
May 4 621–634
May 11 635–682
May 18 683–692
May 25 693–736
June 1 737–746
June 8 747–808
June 15 809–822
June 22 823–866
June 29 867–878

A

AERONAUTICS
Airports:
Alameda naval air base on filled grounds. n640 correction n694
British Columbia building, apron and slipway (unit prices)...Mar.30 adv. 78
Federal aid needed for construction. n417
Fifteen naval air bases authorized.. n539
Morgantown, W. Va. airport runway. A. M. Miller *31
Naval air base to omit competitive bids n623
New York City airport at North Beach in construction n*197
Air conditioning:
Indianapolis reports water consumption by air conditioning plants is decreasing 848
Simonds Saw & Steel finishes its windowless factory *428
Air sampler *672
American Concrete Institute:
New York City convention n355
American Engineering Council:
Washington meeting n76
American Railway Engineering Assn.:
Chicago meeting n*408
American Road Builders Assn.:
Meets in San Francisco n366
Roadbuilding facts and opinions expressed at convention 435
American Shore & Beach Preservation Assn.:
Washington meeting n79
American Society of Civil Engineers:
Chattanooga meeting discusses TVA activities *559, e544
New York meeting n120
Texas Section meets n637
American Society of Photogrammetry elects officers n200
American Society for Testing Materials:
Corrosion studies to be coordinated..... n360
American Water Works Assn.:
Atlantic City meeting n*810
Kansas City selected for next convention n828
New York Section meeting n6
Officials are nominated n198
Report of Atlantic City meeting...854, e832
Andrew, Charles E., leaves Bay Bridge for Washington State bridges n*199

AQUEDUCTS
Colorado River:
First water flows n1, n*59
Lime-zeolite softening for water plant *556
San Jacinto concreting ends n747
Softening plant approved n407
Third pumping plant tested n477
Delaware River aqueduct:
Deep shaftsinking e147
Roundout-West Branch tunnel (unit prices) 50, Mar. 30 adv. 78
Water flow checked by heavy grouting n825
New Jersey considers an aqueduct fed from the Delaware River for added water supply *432
Armstrong, John to head C.P.R. engineers n*58
Associated Equipment Distributors meets. n371
Associated General Contractors:
Board meeting in St. Paul n814
Meets in San Francisco n367, e375
Association of Asphalt Paving Technologists:
Chicago meeting n188
Awards:
Bowie receives Bowie medal n*696
Washington award presented to Daniel Mead n*241

B

Balcony for Norwalk, Calif. high school is carried by concrete girder. W. T. Wright *104

BEAMS
Bar bending schedules for girder ends. W. G. Goodwin *563
Direct design of continuous beams. L. E. Grinter *388
Figuring plate-girders. P. E. Taylor... *452
Moment coefficients for haunched beams. Odd Albert *504
Bent, Arthur S., contractor dies n265

BLASTING
Common-sense blasting procedure. John Jeffries *712
Sound control in blasting. F. R. Cozzens *401
Watch your blasting caps e644
Bolts:
Safe loads for common bolts. J. A. Scholten 660
Bonds:
Ohio authorized to build state hospitals. n747
Reforms needed in surety bonding 765

BOOK REVIEWS
American armies and battlefield in Europe 860
American highways and roadsides. J. L. Gubbels 454
Applied mechanics. H. F. Girvin 456
Arc welding in design, manufacture and constructure 860
Big four. Oscar Lewis 113
City planning—why and how. H. M. Lewis 860
Coagulation and sedimentation in water and sewage treatment 454
Concrete manual 234
Concrete pipe in American sewerage practice, ed. by M. W. Loving 456
Design of dams. Hanna & Kennedy.... 564
Earthquakes of the Pacific Coast of the U. S. Townley & Allen 727
Engineering mechanics. Fairman & Turshall 456
Engineering terminology. Brown & Runner 113
Engineers' manual. R. G. Hudson 234
Formulas for stress and strain. R. J. Roark 454
History and first annual report of Metropolitan Water District of Southern California 564
How to estimate for the building trades. Gilbert Townsend & others 727
Introduction to highway engineering. J. H Bateman 454
Management of municipal public works. D. C. Stone 454
Mechanics for engineering students. J. E. Younger 456
Modern sewage disposal 234
1938 proceedings of Institute of Traffic Engineers 564
Railway age. C. B. Andrews 113
Reinforced concrete bridges. F. W. Taylor & others 860
Route surveys. Harry Rubey 456
Sewer rentals 564
Standard specifications for highway materials and methods of sampling and testing 454
Statica della dighe. Oscar Hoffman.... 727
Structural aluminum 113
Structural design. Sutherland & Bowman 113
Transition curves for highways. Joseph Barnett 234
Water supply engineering. Babbitt & Doland 564
Water supply and purification. W. A. Hardenbergh 113

BRIDGE ACCIDENTS AND FAILURES
Beloit, Kan. bridge knocked off piers by car n58
Delaware canal bridge wrecked by ship. n57, n*73
Guarding against accidents. J. F. Miller..l 542
Junction City, Kan. bridge fails under heavy load n748
London:
Hammersmith bridge damaged by bombs n*473
Louisiana parish authorities not responsible for failure of bridges n468
Norfolk - Portsmouth, Va., bridge wrecked n*872
Ohio bridge failure caused by collusion. n873
Ohio highway bridge fails n823
Spokane River bridge wrecked by truck. n748
Vicksburg-Jackson highway bridge failure investigated n539
Vicksburg-Jackson highway bridge loses three spans, 15 people drown.... n*463, e482
Bridge construction:
Hawaiian bridge construction involves control of bridge deflection *90
Status of bridge construction in 1939..162M

BRIDGE DESIGN
A.I.S.C. bridge competition jury chosen. n685
A.I.S.C. makes annual awards for steel bridges n*827
Calculating bridge camber on crests. C. B. Coe *40
Calculating bridge camber on crests. E. C. Norton 401
Chart for scaling moments and shears from influence when unequal concentrated loads are involved. R. B. Yule. *728
Timber bridge design contests announced n134
Trend in bridge design e148

BRIDGE FLOORS
Fires in bridge floors e645
Open-grid bridge decks e426
Open grid bridge floors. W. E. Irving..l 543
Ohio builds road bridges with steel gutters. J. R. Burkey *93

BRIDGES
Arizona highway bridge (unit prices).. 458
Australia:
Indooroopilly suspension bridge. D. B. Steinman ..... l *425
Baton Rouge, La.:
Steel erection begins n*738
Beit Bridge, Southern Rhodesia:
Suspension bridge completed n749
Bennington, Vt., highway bridge (unit prices) 877
Canadian Railway bridge is precast... n*418
Chicago:
Footbridge over the Outer Drive. L. T. Smith *25; correction 425
Cleveland:
Near completion n540
Deer Isle-Sedgwick, Me.:
Suspension bridge dedicated n*870
Dundee, Mich.:
Railroad bridge withstands derailed train n*261
East Liverpool, Ohio:
Suspension bridge rebuilt under traffic *704
Finland:
Farsjsund bridge n*737
Galveston, Tex.:
Causeway opened n55
Precasting concrete chairs *511
Gila project, Ariz.:
Bridges (unit prices) 406
Hawaii:
Controlling bridge deflection during construction *90
Kings Highway viaduct:
St. Louis pays damages to cafe proprietor n2
Los Angeles, Calif.:
Dayton Avenue bridge removed by dynamite n*811
Messina, N. Y.:
Railroad bridge pier grouted with cement gun. R. C. Keefer *849
Milford, Conn.:
One-leg bents to support bridge.... n*362

* Illustrated; a, abstracts; e, editorials; l, letter; n, news

Missouri River bridge:
Nebraska and Missouri (unit prices) 112
Montreal:
Pius IX steel bridge with concrete superstructure *431
New York City:
Battery-Brooklyn bridge approved...n463
Battery-Brooklyn bridge opposed....n541
Battery-Brooklyn bridge plans submitted again n695
Battery Brooklyn bridge proposed...n133
Bronx-Whitestone bridge near the end n*525
Elevated highway extension featured by long span tied arch. J. M. Friedland *226; correction..... 266
Geo. Washington bridge approach..n*523
Geo. Washington Bridge—Manhattan underground approach paved with concrete blocks *502
Manhattan-Brooklyn bridge or tunnel.e427
Triborough bridge approach in the Bronx n*623
Triborough bridge—new approach...n*259
Whitestone bridge completed.....n*622
Whitestone bridge—credit for fast pace in building n79
Whitestone bridge erection enters final state *60
Niagara Falls:
Architect as consultant..... n2
Army approves plan.....n745
Franchise sold to Commission.....n622
International Railway seeks right to build bridge n193
Plans announced n370
Ocean Highway, N. J. bridges (unit prices) 253
Pittsburgh:
Manchester bridge lifted to insert new bearings *36
Port St. Joe, Fla.:
Floating swing span.....n*258
Potomac River bridge (unit prices).... 736
Rock Is. Davenport bridge (unit prices) 404
Rock Is. R. R. bridge near Liberal, Kan.:
Piers for bridge.....n*409
San Francisco-Golden Gate:
Railings as wind breaks.....*563
Restaurant is toll bridge adjunct..n*356
San Francisco-Oakland Bay Bridge:
Tests of large riveted joints.....220, e204
Transbay traffic triples..... n52
San Gabriel River, Tex.:
Highway bridge (unit prices)..... 363
Seattle:
Pontoon bridge (unit prices).127, 186, 239
Pontoon bridge contract awarded..... n5
Susquehanna River, Md.:
Bridge construction (unit prices).... 470
Tacoma:
Caisson for pier.....n*189
Derrick accident.....n479
Narrows bridge—second caisson sunk.n815
Placing concrete anchors for caissons.*838
Tallulah Falls, Ga.:
Bridge is notable for high cellular piers, 220-ft. span girder. C. N. Crocker *392
Texas highway bridge (unit prices).... 363, 877
Vancouver, B. C.:
Lions' Gate bridge caissons were convertible, *209; correction..... 267
Washington State:
Highway bridge (unit prices)..... 734
Waterloo, Iowa:
Highway bridge (unit prices).Mar. 9. 365
West Va. highway bridge (unit prices). 634, 822
Wyoming highway bridge contractor allowed extra time.....n540
Wyoming highway bridges (unit prices) 404, 822

BUILDING ACCIDENTS AND FAILURES
Fort Hancock, N. J., camp building collapses n698
Gas explosions in Barberton, Ohio and New York City buildings.....n*750
New York tenement collapses.....n*123

BUILDING CONSTRUCTION
Bellingham school balcony girder has three webs. A. M. Young.....*379
Building costs and wages in 1938 in Far West (charts) 300
Florida architects certify buildings....n189
Leaky brick walls. E. L. McFalls, D. E. Parsons 180
Portable shanty and tool shed. N. B. Mitchell *40
Residential building gains (chart)..... 158
Simonds Saw & Steel finishes its windowless factory *428

BUILDING DESIGN
Architectural criticism. D. S. Laidlaw.l 831
Hollywood broadcasting building designed to resist earthquakes..... *12
Trend in building design.....e149
Welded diagonal grid framework. Pandya & Fowler.....*721

BUILDING LAWS AND REGULATIONS
Chicago building code advisers named..n258
Chicago passes last building code section n138
Texas building code recommended..... n2

BUILDINGS
Ardmore, Pa.:
Skating arena housed under thin concrete shell roof. Anton Tedesko....*212
Baltimore:
Glenn L. Martin airplane factory built in eleven weeks.....*834, e833
Bellingham, Wash.:
High school balcony girder has three webs. A. M. Young.....*379
Boston:
Hospital building is field welded....*399
Caucasus Mt. U.S.S.R.:
Hotel, streamlined on peak.....n*135
Culver City, Calif.:
Motion picture stage steel girder tied to bracing for stability.....*848
Durham, N. C.:
Bull Durham tobacco building.....n*474
East Chicago, Ind.:
High school framed with steel bents designed as rigid frames. A. A. Weitzman *772
Fitchburg, Mass.:
Simonds Saw & Steel finishes its windowless factory *428
Great Britain:
Ramsgate hospital dug out of rock chalk n*869
Hillside, N. J. school—crane pulls steelwork down n*257
Hollywood, Calif.:
Broadcasting buildings described..... *12
Radio City building.....*702
Honolulu, Hawaii:
University buildings prevent wall cracks. R. C. Brinker.....*233
Kansas City, Mo.:
Post office and court house built in six months *410
Los Angeles:
Post office and court house of earthquake design *215
Moscow:
Foundation for world's tallest building n*638
Mount Gretna, Pa.:
State prison work stopped by state.n525
Mt. Palomar Observatory ready for the mirror n*195
New Orleans:
Hospital foundation to be studied....n243
Hospital settlement to be investigated by Terzaghi n357
Hospital settlement to be studied by Hardy Cross n371
New York City:
Apartment house of 26 stories planned n742
Criminal Courts Building contract let.n474
Criminal Courts building contractor held in default.....n261
Fair building for U. S. Steel is built inside out n*76
Northwestern University:
Gymnasium to be cut in three parts and moved n*419
Norwalk, Calif.:
Concrete girder carries 800-seat balcony for high school. W. T. Wright *104
Portland, Ore.:
Art Museum has rigid frames of welded I-beams. F. I. Jones.....*111
Racine, Wis.:
Johnson & Sons new buildings.....n*637
San Diego:
Civic Center building constructed on steel piles to resist lateral loads..*103
San Francisco:
Restaurant is toll bridge adjunct....n*356
St. Louis:
American Stove Co., laboratory building n*462
Syracuse:
Church & Dwight soda building.....n*814
Washington, D. C.:
Columbia Municipal building excavation n*828
National Gallery of Art model.....n*538
Burkholder, J. L. in new job..... n*3

C

CAISSONS
Spider beams for caissons. R. L. Larson *859
Tacoma, Wash.—placing concrete anchors for caissons *838
Vancouver, B. C., Lions' Gate bridge caissons were convertible, *209; correction 267

CANALS
Beaver-Mahoning canal:
Recommended by Chief of Engineers n257, e268
Chesapeake and Delaware canal shipping restricted n413
Florida ship canal:
Authorization refused n693
Chief of engineers endorses canal....n353
Department of Commerce now holds canal is justified.....n258
Florida is divided on the worth of the canal *402
House hearings start.....n264
Still antagonism to the idea..... 219
Gila project, Ariz.:
Gravity main canal (unit prices).... 406
Idaho irrigation canal lined with cotton *852
Nicaraguan Canal:
Keep the money at home..... e10
Panama Canal:
Civilians who worked on canal eligible for pensions.....n370
President asks bigger canal.Mar. 16.n3
Status of canals in 1939. I&J..... *3

CEMENT
Cement technology. C. L. Kirk.....l 64
Developments in cement. C. L. Kirk...l 20
Florida cement tax held unconstitutional n26
Pozzolana cement first quarried near Naples n*12
Chamber of Commerce drafts program for construction n19
Chemical manufacturers price fixing attacked by FTC.....n13
Chicago Building Congress meets.....n68
City management:
Kansas City books to be audited.....n69

CITIES
Awards for health protection to various cities n62
Cumberland, Md. city engineer discusses city improvements *10
Keeping the public posted on municipal works and services. R. L. Phillips..*85
Municipal progress e15
Municipal reporting improved in 1938.. 10

Cofferdams:
Underwater cutting. A. V. Sielke.....l 42

Columns:
Loads on spiral columns. J. P. J. Williams .....l 83
Safe loads for spiral columns. J. P. J. Williams (table) 71

CONCRETE
Bleeding of concrete discussed at A.C.I.n35
Bond stress in unequal bar layouts. R. E. McFee..... 99
Box for shipping test cylinders.....*45
Company to standardize precast concrete shapes n47
Forms:
Prefabricated forms cause strike.... n7
Formulas for scheduling reinforcing bars for concrete stairs. W. C. Goodwin *4
Heater for winter concrete work. E. W. Thorson *45
Measuring Norris Dam for behavior of concrete dams. McHenry & Carlson.*44
Norwalk, Calif. high school balcony carried by concrete girder. W. T. Wright *10
Pennsylvania RR tries grouted ballast slabs for track support.....*49
Preventing wall cracks. R. C. Brinker..*23
San Francisco prevents salt water attacks on wharfs by pre-treatment of concrete *77
Concrete Industries Exposition at Chicago.n20
Connecticut Society of Civil Engineers:
Convention centers interest on hurricane experience n42

CONSTRUCTION
Chicago Building Congress acts to spur construction n68
Compensation insurance rates—correction. Peter Kes.....l 83
Cost index for construction..... 56
Costs of construction (charts)..... 16
Distribution of ENR reported construction (chart) 15
Engineering construction per capita, 1938 (table) 15
Engineering construction reported in 1938 by ENR (table)..... 15
Estimate of all construction in the U.S. 1925-1938 (charts) 15
Far West construction in 1938 (charts & tables) 29
Financing of construction (charts & tables) 15
Government and construction e14
Hansen, economist, urges more construction n69
Noise of construction work angers doctor .....n 19
Old-time methods aids trench work..*79
Temporary National Economic Committee to review construction industry..n62
Toward construction cooperation..... 27
What each of us spent for heavy construction 1937, 1938 (chart)..... 15

CONSTRUCTION EQUIPMENT
Cold-weather asphalt kettle.....*72
Compressed air equipment safety code announced .....n 13
Construction machinery developed during 1938 .....*30
Drill outfit and compressor mounted on tractor *10
Drop-hammer pile driver. E. N. W. Lane *3
Flange angles for hoppers. Herbert Simon 72
Paving joint cutter.....*67
Paving mixer with tower for volume concrete production. Ray Bloomberg 45
Prod locates pipe lines. W. S. Foster.*79
Road finisher lights its own way.... *4
Safe loads on plans..... 23
Stands for machine shop.....*51
Three-line striping rig.....*79
Trencher digs and mixes cutoff materials for Tri-County Project dams. W. J. Turnbull.....*10
Truck-mounted drill rig.....*72
Construction League of the U. S.:
New York meeting.....n11

CONSTRUCTION MATERIALS
Brick masonry troubled with efflorescence 76
Chile building material prices pegged.n47
Glue for structural timbers. E. E. R. Tratman .....l 26

* Illustrated; a. abstracts; e, editorials; l, letter; n, news

Material shipments and employment in 1938 from the Far West (charts).. 299
Materials and labor prices.....44, 180, 342, 516, 676, 800
Output of construction materials for ten year period (table)..... 160
Prices show little change in 1938 (chart) 162
Structural adobe. L. T. Evans.....*498
Constructors Assn. of Western Pennsylvania:
Labor union agreement signed.....n826

CONTRACTORS
Arkansas contractors to be licensed..n357
Arkansas subcontractors must be licensed n474
Bids:
Conditional bid decision asked by Jackson, Miss. contractor..... n63
Five manufacturers ordered to cease submitting uniform bids and coercing prices n479
Hamilton, Ont. bidders must name subcontractors n473
Identical bidding in tire suit.....n263
Longview, Wash. deposit ordered returned on incorrect bid.....n621
Minneapolis court holds bid acceptance equivalent to contract.....n537
Name on letterhead voids low bid....n353
New York City electrical contractors fined for collusion n829
Why unit price bids? 391; P. L. Holland, l 543; R. F. Legget.....l 481
Wyoming preference law held void on PWA job.....n536
Canadian decision requires full contract pay on uncompleted job, n123; correction 137
Connecticut sues contractor for refusing contract n742
Danbury, Conn. held liable for unauthorized work n473
License laws proposed in Ohio and Texas n259
Missouri Supreme Court frees contractor on river work of damage claim.... 393
New York City contractor for Criminal Court building held in default.....n261
Walsh-Healey amendments introduced into Congress n136
Wyoming contractor is held to protested price n476
Contracts
E.N.R. engineering construction contracts 7, 138, 265, 468, 641, 752
Cost index numbers 8, 66, 78, 124, 131, 194, 201, 250, 360, 372, 416, 423, 468, 479, 532, 541, 626, My 11 adv 41a, 692, 698, 745, 818, 829, 875

D

DAMS
Bartlett Dam:
Concrete now placed.....n*684
Last concrete poured.....n639
Water storage begins.....n*358
Bonneville Dam:
Administrator is needed.....n421
F. A. Banks to be chief.....n635
Boulder Dam:
Bill introduced to change power rate.n749
Earthquakes continue 654
Generators ordered n683
Lake Mead water accumulates..... 845
Revision of plan for handling of dam power proposed n739
Buchanan Dam:
Committee investigates n188
Texas committee disapproves reservoir level law n257
Chickamauga Dam:
Corewall grouting *551
Last construction stage.....n*697
Clark Hill, Ga. Dam:
Army recommends power and flood control project n627
Conchas Dam:
Nears completion n*688
Debris collection by dams.....e10, 16
Dennison Dam:
Oklahoma names engineer.....n262
Oklahoma protests dam.....n116
Texas flood control dam approved....n693
Earth dam troubles.....e144
Elephant Butte:
Power house is progressing..... n4
Emrichsville Dam:
Misunderstanding causes retaining wall break n419
Estabrook Park Dam
Concrete tripods divert ice to spillway *452
Fort Peck Dam:
Comment on report. J. D. Justin l 830; R. A. Cummings.....l 830
Investigating board recommends reconstruction of dam.....n536, e545
Investigation of the slide. J. D. Justin .....l 753
Quarry rock for riprap.....n*739
Reconstruction. J. F. Stevens.....l 642
Reconstruction of dam. H. W. Richardson *650
Reconstruction of upstream face started n477
Slide in dam caused by foundation failure *647, e645
Friant Dam:
Williams to head work.....n*683
Gilbertsville Dam:
Appropriation restored to TVA bill.... n261, e268
House drops appropriations.....n196
Sinking a wet shaft by freezing water-bearing strata. H. B. Gough.....*666
Technical data on dam.....n*740
Grand Coulee Dam:
Barge built to travel on river.....n*74
Cement bids postponed.....n815
Concrete mixing breaks record.....n749
Concrete pouring speed.....n353
Concrete work halts.....n115
Concreting stopped for the winter... n59
Site clearing to begin.....n*354
Water district formed.....n257
Grand River dam Authority is reorganized n476
Great Salt Plains Dam:
Flood control dam to be raised 4 ft..n479
Green Mountain Dam:
Colorado-Big Thompson development.. *17
Guntersville Dam:
TVA's dam is completed..... n73
Hansen Dam:
Dry fill earth dam is part of Los Angeles flood control project.....*846
Hydraulic-fill dam construction needs more information e645
Kingsley Dam, Neb.:
Riprap for dam (unit prices)..... 253
Long Valley Dam, Calif.:
Construction (unit prices)..... 632
Mahoning Dam, Pa.:
Construction (unit prices)..... 69
Marshall Creek Dam:
Rebuilding of dam..... *23
Marshall Ford Dam:
Dam to be raised and additional storage used for flood control.....n407
Height may be increased.....n*419
Mexico starts dam at Guadalupe.....n412
Montana earth dam break being investigated n423
Montana earth dam fails.....n407
Mud Mountain Dam:
Plans for 400 ft. rolled-fill flood control dam await approval.....n684
Stevens' name proposed for dam.....n815
Surveyors in cage hung in gorge....n*815
Norris Dam:
Measuring concrete dam behavior. McHenry & Carlson.....*440
Measuring dam behavior—correction. Douglas McHenry .....l 542
North Fork Dam, Calif:
Debris dam n*421
O'Shaughnessy Dam:
Raising the dam.....*707
Paris, Ark.:
Earth dam fails during construction.n535
Parker Dam:
Lake named Havasu.....n747
Power to be generated at dam.....n524
Pensacola Dam:
Land purchase delays project.....n369
Multiple arch dam gets under way. W. R. Holway.....*222
Pinopolis Dam:
Construction (unit prices)..... 534
Construction—unit prices—correction. H. G. Gerdes.....l 643
Contract let for dam of Santee-Cooper project n524
Possum Kingdom Dam:
Description of dam.....*757
Roller gate design cuts cost. C. R. Martin *716
Ross Dam (Ruby Dam)
Ruby Dam:
Excavation completed n261
Name changed to Ross Dam.....n621
River diversion aided by anchored rocks *218
Shovel becomes scrap in fall.....n*537
Work is progressing.....n*873
Sardis Dam:
Mississippi flood-control dam described *376
Seminoe Dam:
Coal and railroad interests oppose use n4
Mining under the dam.....*490, e482
Shasta Dam:
Bids asked on cement.....n477
California engineers visit dam..... n*2
Cement bids are competitive.....n623
Cement contract awarded.....n815
Dirt excavation n*116
Four turbines bought for power plant..n639
Preview of dam.....n*417
Progress in construction.....n*624
Short Mt. Creek Dam, Ark.:
Contractor and engineer sued on failure n638
Status of dams in 1939.....162 H. J. L.
Tom Miller Dam (Austin):
Reconstruction of old dam.....n*260
Water seepage patent issued to engineer .....June 22 adv. 84
Yadkin Dam:
Landowners protest dam.....n359
Dams see also Earth Fill
Deformeter apparatus. W. J. Eney.....*221
Dennis, Harry W. leaves California Edison n*193, n358
Diving bell designed by contractor.....n743
Dredges and dredging:
Manitowoc River, Wis., dredging (unit prices) .....Mar. 30 adv. 78
St. Marks River, Fla. channel dredging (unit prices)..... 50

E

EARTH FILL
Area of wide fill sections. C. F. Young 512
Tri-County Project dam materials are dug and mixed by trenching machine. W. J. Turnbull.....*101
EARTHQUAKES
Broadcasting building in California designed to resist earthquakes..... *12
Chile damaged by another earthquake..n537
Chilean cities destroyed by earthquake.n133
Helena, Montana school contractor is sued on earthquake damage.....n462
